O'ZBEK AYOLI

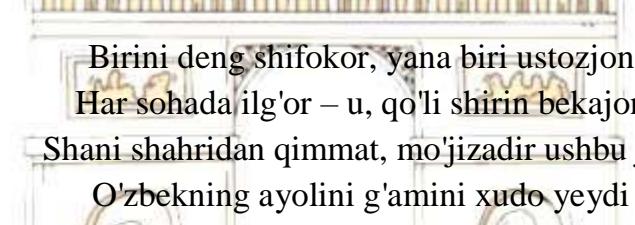

Ko'zidagi nurini – diydam shu bolam deydi
Menga bo'lzin suyagi – go'shtini bolam yeydi
Tosh otmang yuragiga – sajdada xudom deydi
O'zbekning ayolini g'amini xudo yeydi

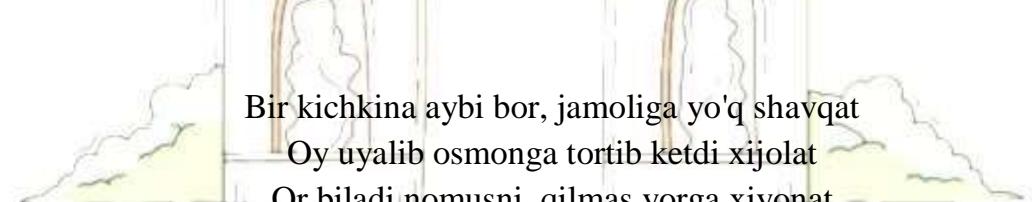

Mehnatning mashaqqatin qadoq qilgan qo'llarin
Ro'zg'orini kamin yeb ko'p og'ringan dillari
Sog'intirmang jigarlar, yo'lingizda ko'zлari
O'zbekning ayolini g'amini xudo yeydi

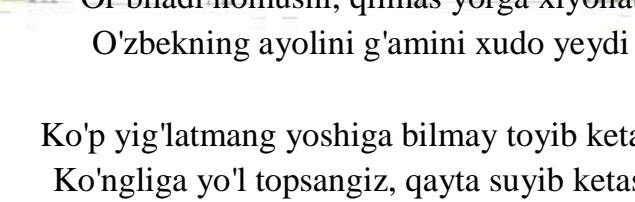

To'shang gullar poyiga, qutlug'iga dil hayron
To'lib oqing soyiga- topilmas kibr nishon
Jannatning gultojini tanib oling ey inson
O'zbekning ayolini g'amini xudo yeydi

Birini deng shifokor, yana biri ustozjon
Har sohada ilg'or – u, qo'li shirin bekajon
Shani shahridan qimmat, mo'jizadir ushbu jon
O'zbekning ayolini g'amini xudo yeydi

Bir kichkina aybi bor, jamoliga yo'q shavqat
Oy uyalib osmonga tortib ketdi xijolat
Or biladi nomusni, qilmas yorga xiyonat
O'zbekning ayolini g'amini xudo yeydi

Ko'p yig'latmang yoshiga bilmay toyib ketasiz
Ko'ngliga yo'l topsangiz, qayta suyib ketasiz
Bering so'z demay ko'ngil, bir kun boyib ketasiz
O'zbekning ayolini g'amini xudo yeydi.
